# Office Memorandum • UNITED STATES GOVERNMENT

TO : Personnel Director

DATE: 23 July 1953

FROM : Comptroller

SUBJECT: Appropriation Symbols on Personnel Actions

1. It has been noted that the symbol "11X2100 - Operations CIA" is being used on Personnel Actions and Fanfolds in accordance with the agreement raised last year in the use of symbols.

2. The question has been raised, however, as to the need for reflecting symbols on Fanfolds. It appears that the insertion of these symbols on the Fanfolds is not required. It is suggested that the placing of symbols on such Fanfolds be discontinued thus reducing the typing in the preparation of these forms.
